## Glenorchy Commercial Wheelie Bin Agreement

The cost and details of AllWaste providing and emptying wheelie bins for Glenorchy properties are as follows:

- There is no monthly or weekly hire providing the bin is regularly put out for collection
- There is a charge per empty of **\$18.50+GST** for general waste 240L bins.
- There is a charge per empty of **\$16.80+GST** for mixed recycle (excluding glass) 240L bins.
- There is a charge per empty of **\$15.50+GST** for glass recycle 240L bins.
- Waste bins will be emptied every Thursday and recycle bins will be on alternate weeks.  
If Thursday is a public holiday it will be the following business day.
- If the bin is lost or stolen, you are responsible to cover the cost of the bin to be replaced.
- Overfull bins may be subject to additional charges without notice- lid must be closed and 80kg max.
- It is up to the client to ensure bins are accessible kerbside for the driver on collection days.
- Bins must be kerb side by 7am for collection.
- It is up to the client to ensure bins are put away after collection.
- Prices subject to change 1 July annually.
- Please refer to Waste Classification details on page 2 for classifications and prohibited waste items.  
Please adhere to these classifications to avoid contamination penalty charges.
- For further terms and conditions please refer to your Customer Application Form or current Customer Service Agreement.
